Brief about us

In the year 2020, Silver Bells Daycare Center came as a result of our late Mother's constructive idea and a huge support from our late Father. She had a dream and a fervent belief that quality education should be the right to all children primarily from the lower level to higher levels.

Silver Bells Daycare Center is located at Sanawari area, AICC. Off, Goliondoi Road just opposite Ngalo Advocates in Arusha. The school started officially on 07/01/2020 with only two (2) pupils in the toddler class. Eliupendo and Naomi were the first core founders who took keen interest and worked very hard to bring up the standard of the school. By then only one teaching staff and one non-teaching staff supported them.
