SCHOOLS INFORMATION

ABOUT US

Brooklyn Global Nursery and Day Care was established in 2023 with a heart-driven mission to provide quality early childhood education and care—especially to vulnerable children. Located in Kijenge Mwanama, Arusha, the center stands as a place of hope, love, and learning for children who come from difficult circumstances.

Founded by Justine Thomas Davidson and Agnes James Ndimwa the center was born out of a desire to support orphans, abandoned children, and children from families that cannot afford school fees. Our goal is to offer *faith-based, affordable education and holistic care to those who need it most.

OUR MISSION

To provide high-quality, faith-based early childhood education and care that empowers all children—especially the vulnerable—to grow spiritually, emotionally, socially, and intellectually.

OUR VISION

To become a leading early childhood development center that nurtures young minds regardless of their background, and to expand to more communities across Tanzania to support children in need with education and proper care.

OUR UNIQUE PURPOSE

Brooklyn Global is not just a school—it's a safe haven. We provide education at an affordable cost so that children from all walks of life can benefit. Our services are tailored to support:

- Orphans
- Abandoned children
- Children from low-income families
- Parents who are unable to pay school fees

Through generous community and partner support, we ensure that every child has a chance to learn, play, and grow. We focus on talent development, creativity, life skills, and discovery, believing every child has potential that must be nurtured early.

OUR INSPIRATION – HOW IT ALL STARTED

Starting Brooklyn Global Nursery and Day Care was not just an idea—it was a calling. I began with a heart full of passion and a strong desire to serve. I witnessed children wandering the streets, some without care, others without hope. I decided to start a small center where they could feel safe, loved, and valued. And from there, with faith and help from others, this school was born. Every child is a blessing, and seeing them smile and grow is my daily motivation.

PARENTAL PARTNERSHIP

We believe parents are partners in the journey of a child's growth. Our relationship with parents is built on:

- Regular meetings and updates
- Open communication
- Shared responsibility in nurturing the child

Even those who cannot afford to pay fees are treated with dignity and compassion, because at Brooklyn, we are one family.

OUR STAFF & COMMUNITY

We are proud to have a dedicated team of staff who serve with love and commitment:

1. Agnes James Ndimwa - Assistant Director
2. Grace Ndimwa – Head Teacher
3. Teacher Alex – Academic Department
4. Madame Angel – Cook

Our teachers and caregivers are deeply passionate about child development. We are also blessed with strong community support from Kijenge Mwanama residents, local leaders, churches, and parents.

OUR FUTURE GOALS

Looking ahead, we aim to:

- Establish more centers across Tanzania to reach more children in need
- Continue supporting vulnerable children with affordable, faith-based education
- Incorporate sports, innovation, creativity, and early talent discovery into our learning programs

At Brooklyn Global Nursery and Day Care, we believe every child deserves a chance. Early education is not just about books—it's about building character, discovering purpose, and planting hope for a better tomorrow.

Regards.

Agnes James Ndimwa
